CHECK LIST FOR BASIC TRAINEE CURRICULUM

Declaration of Interest

The declaration of interest is entirely on a voluntary base. Trainees who do not declare any interest will be placed in General Surgery. This is to facilitate and maximize the training opportunities for trainees, instead of imposing restrictions.

- Trainees have to declare a specialty interest for a specialty part in HKICBSC Membership Part 3 Examination (General Surgery if nil declared)

Time-based rotational training

- During the 2 years of Basic Surgical Training, trainees are required to make up at least 3 specialties to meet the rotational requirement, but not more than 1 year in any 1 specialty (with 6months in Gen Surgery; 6months in Em. Surgery)*
- One 6-month training in General Surgery
- One 6-month training in emergency module
- One 6-month training in other specialty/subspecialty or specialty declared
- One 6-month (or TWO 3-month) in other specialties/subspecialties (related)

Restriction: General Surgery; Orthopaedics; Otorhinolaryngology

Cardiothoracic Surgery; Neurosurgery, Plastic Surgery, Paediatric Surgery, Urology (max 1 year in any one specialty in 2-year training including those for Emergency Surgery);

Emergency Surgery in A&E (max 6 months) / ITU (max 3 months) /

Any surgical specialties with emergency calls (3 months will be counted as emergency for any 6 months training in any specialty with emergency calls; that respective 6 months training can be split into two 3-month rotations)

- Completion of at least 4 sets (2 each) of end-of-rotation mentor assessments
- Completion of Operation Record and Operation Record Summary Report

Continuous Assessments on Basic Skill

- Completion of at least 2 Competency Assessments on Mini-Clinical Evaluation Exercise (**Mini-CEX**)
- Completion of at least 2 Competency Assessments on Direct Observation of Procedural Skills in Surgery (**Surgical DOPS**)
- Completion of at least 1 Competency Assessment on Direct Observation of Procedural Skills in Endoscopy (**Endoscopic DOPS**)

Mandatory Courses

- Basic Surgical Skills Course
- Clinical Core Competencies Course for BST
