

# The College of Surgeons of Hong Kong

## UROLOGY BOARD

### Log Book Summary

*(Remarks: Programme Directors of respective Specialty Boards will conduct random check of the trainee's Logbook Summary and Logbook Summary Report against the operation data from the Hospital Authority. The College reserves to take appropriate action should any untrue reporting of data was found.)*

FROM        /        /        TO        /        /  
(dd / mm / yyyy)

Major Procedures	Surgeon Mentor Scrubbed	Surgeon Mentor in Theatre	Surgeon Mentor Available	Assist Surgery
<b>RENAL / URETERAL</b>				
Nephrectomy - partial				
Nephrectomy - total				
Nephrectomy - radical				
Nephrectomy - laparoscopic				
Nephroureterectomy				
Nephrolithotomy				
Ureterolithotomy - open				
Ureterolithotomy - laparoscopic				
Others (specify)				
<b>BLADDER</b>				
Transurethral resection of bladder tumour (TURBT)				
Cystectomy - partial				
Cystectomy - total				
Ileal conduit diversion				
Substitution cystoplasty				
Cystolithotomy - open				
Others (specify)				
<b>PROSTATIC</b>				
Transurethral resection of prostate (TURP)				
Transurethral bladder neck incision (TUBNI)				
Prostatectomy - retropubic				
Prostatectomy - radical				
Prostatectomy - open (specify)				
Prostatectomy - others (specify)				
Others (specify)				
<b>ENDOSCOPIC / INTERVENTIONAL</b>				
Percutaneous nephrostomy (PCN)				
Percutaneous nephrolithotripsy (PCNL)				
Percutaneous endopyelotomy				
Ureterorenoscopy (URS)				
Ureterorenoscopic lithotripsy (URSL)				
Ureterorenoscopic pyelotomy				
Ureterorenoscopic procedure - others (specify)				
Endoscopic cystolithotripsy				
Others (specify)				

Major Procedures	Surgeon Mentor Scrubbed	Surgeon Mentor in Theatre	Surgeon Mentor Available	Assist Surgery
<b>NEUROUROLOGY / RECONSTRUCTIVE</b>				
Pyeloplasty				
Ureteroplasty				
Trans-ureteroureterostomy				
Ureteral reimplantation				
Augmentation cystoplasty				
Substitution cystoplasty				
Endoscopic urethrotomy				
Urethroplasty				
Repair of urinary fistulae				
Colposuspension				
Artificial urinary sphincter implant (AUS)				
Others (specify)				
<b>PAEDIATRIC UROLOGY</b>				
Pyeloplasty				
Nephrectomy - partial				
Nephrectomy - total				
Ureteral reimplantation				
Cystoplasty				
Hypospadias repair				
Orchidopexy				
Others (specify)				
<b>ACCESS / TRANSPLANT</b>				
Insertion of Tenckhoff catheter				
Insertion of venous dialysis catheter				
Arterio-venous fistula				
Cadaveric donor nephrectomy				
Living-related donor nephrectomy				
Cadaveric renal transplant				
Living-related renal transplant				
Others (specify)				
<b>GENITAL / ANDROLOGY / INFERTILITY</b>				
Orchiectomy - benign				
Orchiectomy - malignant				
Partial penectomy				
Total penectomy				
Penile prosthesis implant				
Varicocele ligation - open				
Varicocele ligation - laparoscopic				
Vaso-vasostomy				
Others (specify)				

<b>Intermediate / Minor Procedures</b>	<b>Surgeon Mentor Scrubbed</b>	<b>Surgeon Mentor in Theatre</b>	<b>Surgeon Mentor Available</b>	<b>Assist Surgery</b>
Circumcision				
Vasectomy				
Exploration of testis				
Testicular fixation for torsion				
Hydrocele/Cyst				
Others (specify)				

<b>Investigative Procedures</b>	<b>Mentor Supervising</b>	<b>Mentor Available</b>	<b>Assist Procedure</b>
Rigid urethrocytostcopy			
Flexible urethrocytostcopy			
Urodynamic study			
Transrectal ultrasonography			
Others (specify)			

I declare that the information in this logbook summary report is true and correct.
