

COUNCIL HIGHLIGHT 2009

ISSUE APRIL TO JUNE

Dear Fellows and Members,

This Council Highlight is a newly introduced incentive to keep all Fellows and Members updated of the College news and development. It would be updated on a bi-monthly basis to let you receive the latest information of the College. Hope you all will enjoy reading it.

Let's look at the news of some important events of the College:

Corporate Communication Sub-committee

The Corporate Communications Sub-committee was established based on the mission to build the reputation of CSHK through trusted, timely, high quality dissemination of College-related news and information to fellows and members. Through effective means of internal and external communication, the image and reputation of the College as well as solidarity within the College will be enhanced. **The Chairman, Dr Chad Cheuk-wa TSE** would lead the sub-committee to achieve these goals. A strategic proposal of improvement on

College communication was submitted by Dr Chad to the Council earlier in March.

Business Development Sub-committee

In view of the rapid expansion of structure and business of the College over the past year, the Business Development Sub-committee was formed to provide strategy in generating sponsorship from different financial sources in response to the increasing expenditure. **Prof. Enders Kwok-wai NG** was appointed the Chairman of the Sub-committee on this important task.

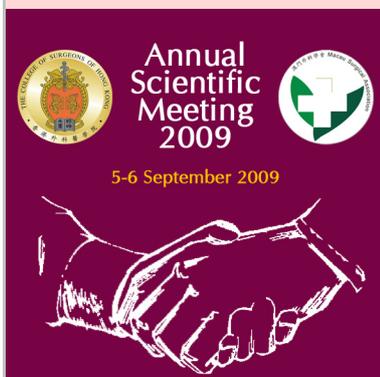

New curriculum

A taskforce mainly led by Dr Hung-to LUK, Dr Moon-tong CHEUNG and Dr Hong FUNG was set up to develop the curriculum for new Basic Surgical Education and Training. The new curriculum adopts a combination of time-based and matrix approaches of competency-based aiming to produce

fully fledged surgeons. The draft curriculum was released in April 2009 and it was still in the stage of wide consultation. The Council Highlights would keep you updated of any progress on the curriculum.

Annual Scientific Meeting 2009

The Annual Scientific Meeting of the College provides a platform of exchange of expertise and eclectic experience in surgery every year. The meeting is going to feature a series of inspiring lectures given by masters in their field, as well as symposia and free paper sessions covering a variety of surgical fields.

This year our Annual Scientific Meeting will be held on 5-6 September 2009. We are pleased to have invited Dr York Yat-ngok CHOW to deliver the GB ONG Lecture at the Meeting.

This would be a remarkable event you do not want to miss, so please remember to register with us for this remarkable event if you have not done it yet. You are also welcomed to submit scientific abstract for the Free Paper Session.

Diploma Conferment Ceremony 2009

Another important College event, namely the Diploma Conferment Ceremony would be held on the evening of 5 September 2009.

This is a remarkable occasion on which Honorary Fellowship would be conferred to prominent figures with outstanding contributions to the profession and new Fellows and Members of the College would receive their Diplomas. Prof. YUEN Kwok-yung and Dr York Chow would be conferred the Honorary Fellowship for their tremendous contribution to the community. Prof. Kwok-yung YUEN will also deliver the Arthur Li Oration at the Ceremony.
