

College Focus

In order to make the event memorable, our president Prof. Yeung presented badges and souvenirs to our past presidents, Dr Che-hung Leong, the Founding President from the year 1990 to 1993; Prof. Arthur Li, the Past President from the year 1993 to 1996; Prof. Kwok-hung Lo, the Past President from the year 1999 to 2002; Dr Samuel Kwok, the Past President from the year 2004 to 2007. They were all amused by the lovely figures of themselves. To sum up, it was a successful event where immense effort of predecessors was appreciated and new direction of our college commenced.

Prof Yeung (right) presented badges to Past Presidents (from left to right: Dr Che-hung LEONG; Prof Arthur LI; Prof Kwok-hung LO; Dr Samuel KWOK)

Lovely figures of Past Presidents

Dr Samuel KWOK and The Honourable Dr Ka-lau LEUNG

Dr Tim-lok KWAN
Hong Kong Adventist Hospital

HOW TO OBTAIN ACTIVE CME POINTS ?

How many active CME Points do I need?

- Over a 3-year period, each Fellow must collect a total of 90 CME points.
- Starting from 1 January 2008, no more than 75 points can be awarded for passive participation in a 3-year cycle. The minimum of 15 (Active) CME/CPD points is required.

What activities have Active CME Points?

A dozen of activities are available; therefore obtaining active CME points should not be a problem!

1. Speakers, presenters at Formal College Approved Activity (FCAA)
2. Panelists, chairpersons or moderators at FCAA
3. Proffered paper, accepted and presented orally
4. Non-oral presentation proffered and presented
5. Participation in a FCAA upon completion of MCQ related to the contents of the presentation
6. Self-study on a surgical topic, articles from Index Medicus listed Journals, videotapes or web-based CME/CPD programmes with prior approval from the College
7. Publications in fields related to surgery
8. Research activity
9. Quality Assurance Activities directly related to the practice of Surgery with formal College pre-approval.
10. Reviewer of articles in medical journals
11. Participation as an examiner or setting questions in specialist examinations organized by the College
12. Participation in development of CME/CPD materials for self-study or e-learning
13. Development of new services and technologies with CME/CPD Subcommittee approval
14. Submission of multiple choice questions for Part 1 & 2 Membership Examination of Hong Kong Intercollegiate Board of Surgical Colleges
